

Nails per box...\$25

We can use your help raising funds for Pomona Valley Habitat for Humanity— together we can raise the funds to build more houses.

You can help by participating in the Workday Sponsorship Program. Here's how it works.

- Commit to working on a Habitat Volunteer Project (see available projects at www.habitatpv.org and click on the link to VolunteerUp).
- Tell friends, family, co workers and others about your work with PV Habitat
- Ask friends, family, co-workers and others to support your work by making a donation towards your workday
- Commit to raising \$25 or more (if each volunteer on the job site raised \$100 for every day of work—those volunteers alone could raise enough funds to build another house).
